

COMMUNITY COLLEGE
system of New Hampshire

**Your business can go to college.
Our college can go to you.**

Business & Industry Training

The Community Colleges partner with NH businesses to train today's workforce.

Do you need employee training on your schedule, at your location, on your choice of subjects? New Hampshire's Community Colleges can help. Our quality employee training programs can be designed and delivered to your specifications when you contract with a college for training. We use subject matter experts with industry experience, who know how to deliver the results you desire.

Training Solutions to Improve Performance:

New Hampshire
jobTrainingfund
