

PRESS RELEASE BIOGRAPHY  
for  
ROBERT A. DUHAIME, RN, MBA  
Vice President of Operations & Chief Nurse Executive  
Catholic Medical Center

Bob Duhaime has been in the healthcare arena for 28 years. He has been employed by Catholic Medical Center for 20 years, during which time he has been promoted to increasingly responsible positions, the most recent being that of Vice President of Operations and Chief Nurse Executive. Bob has made some very significant contributions to the nursing organization and to Catholic Medical Center as a whole. In his current position, he oversees the implementation of standards of nursing practice throughout the hospital in the provision of patient care and across all service lines. He plans, organizes, implements and evaluates services that will achieve a clinical environment that is conducive to the comfort and safety of all patients. He is also one who very often is called upon to meet and communicate with all parties, whether it is with the patient, the family, doctor, nurse or staff member to see to it that the hospital provides the best care possible. In addition, he is often called upon to assist the CEO in the administration of the hospital.

Bob is an active leader in the community and demonstrates civic involvement through the many committees he either chairs or participates on. He is the Chairman for the NH Board of Nursing, a member of the Community College System of New Hampshire Board of Trustees, an adjunct faculty member at Rivier College, a member of the NHTI RN Advisory Board and a graduate of Leadership New Hampshire. In his spare time he is very dedicated to promoting youth in sports. You may recognize him as the “Coach” for one of your son’s or daughter’s football or basketball teams. He has coached Manchester Pop Warner Football for over 10 years and is frequently seen coaching the CYO High School Basketball Teams. Bob resides in Manchester with his wife Doreen and their three children, Meredith, Lauren, and Chris, who are all very active in school and in sports. Chris, Lauren and Meredith are attending college pursuing their goals and following in their father’s footsteps.
