

Jeremy Hitchcock is CEO/CFO of Dynamic Network Services and defines the company's strategy, both engineering and otherwise, and attends to its legal, social and financial needs. He graduated with a B.S. in Management Information Systems from the Worcester Polytechnic Institute and has joined entrepreneurial organizations such as the WPI's Venture Forum and the Collaborative for Entrepreneurship and Innovation, helping students and young people build a success of their very own. He is also a member of the University of New Hampshire Manchester's Advisory Board.

Jeremy is the current Chairman of the Manchester Young Professional Network board of directors and an active Rotarian. He is a 2006 Greater Manchester Leadership Program graduate and sits on the boards of both the Amoskeag Business Incubator and the West High Endowment Fund.

He lives in Manchester with his wife Elizabeth.
