

EasyLogin Project Goal: One universal username and password to access CCSNH online college resources. Due date January 1, 2011

1) Before EasyLogin: Separate Username and Password required for each online service

Multiple Username/Passwords

2) After EasyLogin (Phase 1 – 1/1/2011):

One Username and Password required for all online services (*which support LDAP)

One Universal Username/Password (User's current email username and password)
