

CCSNH Login Instructions for the Student Information System (SIS) for New Users

1. Go to the CCSNH Online Resources page located here: <http://resources.ccsnh.edu>
2. Select **New Users** from the **Online Resources** page (as shown below)

A screenshot of a web page with a yellow background. On the left, there is a blue button with the text "New Users" in white. A red arrow points to this button. To the right of the button, the text reads: "SIS Login with ID# and SIS pin: First time users or those who have forgotten their EasyLogin need to login to SIS with their ID and pin to obtain their EasyLogin from the Personal Information Menu of the SIS. [Click Here](#) to Enter the Secure Area." Below this, there is a section titled "Windows 10 Users" with the text: "To access the SIS using Windows 10 Edge browser, click on the three dots at the top right of your screen then select Open with Internet Explorer." At the bottom of the screenshot, there is a note: "*EasyLogin username and password are required to access the following online resources. Obtain your EasyLogin username and password by clicking the 'New Users' button above, logging in with your ID and pin and selecting Personal Information."

3. You will be brought to the Student Information System (SIS), then click on **Enter Secure Area** (as shown below)

A screenshot of the Student Information System (SIS) main menu. It features a header with four images: a woman in a classroom, a hand pointing at a whiteboard, a stack of books, and a man in a classroom. Below the images are four menu items: "Enter Secure Area" (with a red arrow pointing to it), "Prospective Students", "Apply for Admission", and "Class Schedule". At the bottom, there is a "Course Catalog" link.

4. Your User ID is your ID number including the "A".
5. Your PIN is your 6-digit date of birth (mmddy format). If your date of birth does not work try the last six digits of your ID number.
6. **First time users must create a new PIN # (minimum 6 digits) and choose a security question.**
7. Once in SIS, select **Personal Information** then select **Student EasyLogin Information** to view your Easylogin username and password.

8. Click on **Activate/Manage EasyLogin** link to enable the 24/7 password reset feature. You will enter your username and password here and be asked to create security questions. In the future, if you forget your password, you can use this site to reset it by answering the security questions you create.
