MANCHESTER COMMUNITY COLLEGE

PROPOSAL DUE DATE AND TIME: Thursday, June 15, 2012 at 4:00 pm

Manchester Community College, Manchester hereinafter referred to as MCC, invite food service management companies, hereafter referred to as “Contractors”, to submit responses to its Request for Proposal (RFP) to operate its food services in accordance with the terms, conditions, and specifications that are attached. Proposals will be accepted until 4:00 p.m. EST, June 15, 2012 and will be publicly opened and identified at the address below. Proposals shall be delivered in a sealed envelope addressed to:

Major Wheelock, Vice President of Student and Community Development
Manchester Community College
1066 Front Street
Manchester, NH 03102
mwheelock@ccsnh.edu

Under no circumstances will any proposal be accepted or considered after the established date and time noted above. The method of delivery is the responsibility of the Contractor. (No details of the proposal will be divulged at the time of opening.) All proposals shall be guaranteed for an acceptance period of at least 90 days after the proposal opening date. This solicitation does not commit MCC or the State of New Hampshire to award a contract, to pay any costs incurred in the preparation of a proposal, or to procure or contract for the articles of goods or services. MCC reserves the right to accept or reject any or all proposals received as a result of this request and to cancel in part or in its entirety this request for proposal, if it is in the best interest of MCC to do so.

Contract Term:
The term of any resulting contract shall end on or before June 30, 2105.

Manchester Community College shall have the right to terminate the contract at any time by giving the Contractor a thirty (30) day written notice.

Additional Information:
Manchester Community College reserves the right to make a written request for additional information from a Contractor/Vendor to assist in understanding or clarifying a Bid Proposal. The responses are to be provided in writing.

The college reserves the right to accept or reject any or all of the proposals.

Required Material Safety Data Sheets (MSDS) for material brought on site by the successful bidder must be available on site at all times.
All local, state and federal regulations are to be followed. Any fines assessed to Manchester Community College due to the lack of these regulations being followed will be the responsibility of the successful bidder.

The Contractor who is awarded the contract will need to complete a P-37 contract (sample available upon request) and provide the required Corporate Resolution (corporations/LLC) or Partnership Certificate of Authority or Sole Proprietor Certification of Authority, whichever applies, to show the individual signing the contract is authorized to do so.

**Insurance**
The Contractor awarded the contract shall, at its sole expense, obtain and maintain in force, an insurance certificate Comprehensive general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $250,000 per claim and $2,000,000 aggregate.

The certificates are required to name Manchester Community College as additional insured.

The certificates shall contain a clause prohibiting cancellations or modifications of the policy earlier than 10 days after written notice thereof has been received by Manchester Community College.

**Mandatory Pre-Proposal Meeting**
There will be a mandatory pre-proposal meeting on Wednesday May 30th at 2:00 p.m. in the President’s Conference Room on the campus. Attendance at the pre-proposal meeting is a prerequisite to having a proposal considered during the evaluation process. Contractors will be given a tour of all Food Service production facilities immediately following the meeting. This will be the only opportunity for Contractors to visit food production areas and dining facilities. In the interest of fairness, visitation teams will be limited to 2 persons. Questions regarding the meaning or interpretation of the RFP, attachments and specifications shall be requested in writing and must be submitted 48 hours prior to the mandatory pre-proposal meeting. Answers will be provided by a RFP addendum to all prospective Contractors in attendance at the pre-proposal meeting. Direct questions or correspondence regarding the RFP to:

Major Wheelock, Vice President of Student and Community Development
Manchester Community College
1066 Front Street
Manchester, NH 03102
mwheelock@ccsnh.edu

Visiting the campus unannounced is not recommended. Prior notification of intent to visit should be made to the above staff member. Surprise visits to the facility or the offices of other college staff are not recommended.

Award:
This contract will be awarded solely on the Café Services for Manchester Community College.

This contract will not be awarded solely based on price.

Manchester Community College reserves the right to accept or reject any or all of the proposals.

Manchester Community College reserves the right to waive any and all informalities in its best interest.

DEFINITION OF TERMS

1. The term “gross receipts” shall be defined as the amount paid to the Contractor by MCC for meals, catering, and all other receipts received by Contractor in providing food service to MCC.

2. The term “net receipts” shall be defined as total gross receipts less applicable state and local sales taxes.

3. The term “academic year” when used herein shall mean the fall and spring semesters and does not include the summer sessions, holidays or recess periods. The academic calendar is available upon request.

4. The term “fiscal year” when used herein shall mean the twelve (12) calendar months, beginning July 1st of each year and ending with June 30th of the succeeding year. The Contractor’s year-to-date reports will coincide with the fiscal year or may utilize another fiscal year with permission of MCC.

5. The term academic year when used will be approximately thirty-four (34) weeks as per the MCC calendar.

6. Special functions: The Contractor shall provide food service to special parties, conferences, and functions authorized by MCC at prices to be mutually agreed upon. The functions will be treated on an individual basis, except where a special function takes the place of a regular meal. In the case of the latter, the Contractor will only charge for food and labor in excess of that which would ordinarily be supplied.

7. The term “commissions” shall be defined as monies to be paid to MCC by the Contractor equal to a defined percentage of net receipts.

8. Homemade products are those that are prepared or baked on site daily.
INSTRUCTIONS

1. Proposals will be received for items specified herein or attached hereto under the terms and conditions of this proposal and general specifications attached.

2. Proposals must be made in the official name of the firm or individual under which business is conducted (showing official business address) and must be signed by a person duly authorized to legally bind the person, partnership, company or corporation submitting the proposal. A corporation must indicate place and date of incorporation.

3. By submitting a proposal, the Contractor agrees to be governed by the terms and conditions set forth in this document. No change or deviation from the terms set forth in this document is permitted without the prior approval of MCC. If significant errors or omissions are found in the requirements of the RFP, the proposal will be rejected.

4. Proposals should include a sample menu; however, unnecessarily elaborate brochures or other presentations beyond those sufficient to present a complete and effective quotation are not desired. Elaborate art work, expensive paper and bindings and expensive visual or other presentation aids are neither necessary nor desired.

5. Proposals must include all information and meet all specifications and requirements as requested. All proposals must be submitted in conformance with this RFP. Alternate proposals are unacceptable and, if submitted, may disqualify the Contractor at MCC’s sole discretion. Proposals will be evaluated based upon the information submitted and the quality of the service proposed.

6. Should any ambiguity or conflict in the RFP become apparent to any Contractor prior to the mandatory pre-proposal meeting, the Contractor shall promptly apply to the Vice President of Student and Community Development for a written interpretation. The information given in response will be sent to all Contractors in attendance at the meeting by a RFP addendum. Any addendum to the RFP will be issued in writing and must be acknowledged by the Contractor in their proposal. No oral statement, explanations or commitments made by anyone shall affect the RFP except when confirmed in writing by the Vice President of Student and Community Development.

7. After award of the contract, all proposals will be opened to public inspection. Trade secrets, test data and similar proprietary information will remain confidential, provided material is so marked.

8. The Contractor must bear all costs associated with the preparation of the proposal and of any oral presentation requested by MCC.

9. No Contractor gratuities nor potential for MCC officials to benefit shall be offered or attempted to be applied in an effort to affect the evaluation process.

10. An oral presentation by one or more Contractors may be required after written proposals are received by MCC. If MCC requires such a presentation, the Vice President of Student and Community Development will schedule a time and place. Each firm should be prepared to discuss and substantiate any of the areas of the proposal submitted, its own qualifications for providing the
services required and any other area of interest relative to its proposal.

11. The Contractor must, upon request of MCC, furnish satisfactory evidence of its ability to provide products or services in accordance with the terms and conditions of the RFP. The Contractor must satisfy MCC that the Contractor is able to meet the conditions of the agreement without subcontracting.

12. Each Contractor shall be fully acquainted with conditions relating to the scope and restrictions attending the execution of the work under the existing RFP. The failure or omission of a Contractor to be acquainted with existing conditions shall, in no way, relieve the Contractor of any obligation with respect to this RFP or to the contract.

13. Contractors mailing proposal should allow a sufficient mail delivery period to ensure timely receipt of their proposals by the issuing office. Any proposal received after the scheduled date and time will be governed by the rules and regulations of MCC.

14. Proposals submitted prior to the scheduled date will be held in the Business Office. No proposals will be opened prior to the opening date of June 15, 2012.

15. Five (3) copies of the proposal, under seal, are required. Each copy of the proposal should be bound in a single volume. MCC will only review one volume; all material must be contained within.

16. A contract shall be awarded to the Contractor whose proposal is determined to be most advantageous to MCC. MCC will not accept any proposal based on price alone, but will make an award based on the evaluation of factors set forth herein. MCC further reserves the right to reject any and all proposals, and MCC will be the sole judge as to whether the Contractor’s proposal has or has not satisfactorily met the requirements of this RFP.

17. Contractors are cautioned that MCC is not obligated to ask for, nor accept, after the closing date for receipt of proposals, data which is essential for a complete and thorough evaluation of the proposal. MCC may award a contract based on initial offers received without the discussion of such offers. Accordingly, each initial proposal should be submitted on the most favorable and complete operating and technical terms possible.

18. The Contractor will provide a minimum of 3 references preferably from New England based colleges, schools, or businesses when submitting the proposal. Provide the name, address, telephone number(s) and email addresses of the campus/business administrator responsible for the food service operation.

SCOPE OF SERVICES

1. FOOD SERVICE PROGRAM

MCC expects that the Contractor will partner with the campus community to provide a friendly and responsive food service operation that will adhere to the principles outlined in MCC’s Mission Statement. Students, faculty, staff, and guests expect a dining and catered experience that rivals those
found in the most popular commercial restaurants. Good variety, great taste, freshness, authenticity, healthy choices, ambiance, and excellent service will be the norm, not the exception. The Contractor must be innovative in providing appropriate food concepts that will attract and retain the campus community in a comforting and comfortable atmosphere. Subcontracting for any food services will not be allowed.

1.1 Contractor is to work closely with MCC and receive their approval in the determination of policies, practices, prices and menus, including time and length of service for each meal.
1.2 Contractor shall furnish meals and other food and beverage products at the time and place specified by MCC.
1.3 Contractor shall assume full responsibility for the purchase, preparation, cooking, and sensory pleasing food presentation at all serving areas.
1.4 Each day’s menu will be written with nutrition and eye appeal considered as important as cost and popularity.
1.5 Contractor shall inform MCC of the scheduled prices for meals and other food and beverage products in order that the Contractor may plan meals within the budget structure. (Reference financial section 5)
1.6 There will be a food service advisory team made up of students, MCC representatives, and a representative from the Contractor. It will be the responsibility of the team to review MCC concerns, complaints, customer service satisfaction assessments, new food service related initiatives, and make appropriate recommendations to the Contractor.
1.7 The Contractor will have a plan for continuous improvement of the current food service program, and for the recommendation for the delivery of new food service trends that may be available to and approved by MCC. Any changes to prices will be presented to MCC on August 1st for the following academic year.
1.8 The contractor will conduct an MCC approved, campus wide, customer service satisfaction assessment of the food service program a minimum of one time a semester (fall and spring) and share the results with the MCC Administrator in a timely manner.

2. GENERAL SPECIFICATIONS

2.1 The food served must be nutritious, wholesome, palatable, and of good quality. The question of quality will be referred to the administrative bodies of MCC whose judgment shall be final in determining adequacy of quality performance.
2.2 Hot food shall be hot, cold food shall be cold. Progressive cooking will be the normal method of operation, staggering the hot entrees and vegetables so that relatively small amounts be ready for serving at progressive periods during the meal.
2.3 The Contractor will have and utilize a standard recipe service. Cooks and bakers will be required to follow standard recipes for all production items.
2.4 All bakery items are to be served fresh daily.
2.5 The Contractor, working with authorized staff members of MCC and student committees, shall provide a variety of programs and special dinners for students at no additional charge. These shall range from holiday dinners to special “theme” dinners, complete with costumes, decorations and music as appropriate for the occasion. These shall occur a minimum of nine times during the academic year and will be coordinated with the college’s special events, such as the traditional Thanksgiving Dinner and events planned by the Diversity Team at MCC. These meals shall be served and adequately promoted to encourage maximum campus participation. A calendar of special
dinner will be prepared by the Contractor and approved by MCC, no later than one week prior to the start of each semester.

2.6 Certain food accompaniments will automatically be served with some dishes and placed on the condiment table. Examples include but are not limited to applesauce with pork, cranberry sauce with turkey, tartar (sauce) and lemon slices with fish, vinegar with greens and mint jelly with lamb.

2.7 Cream, sugar and appropriate sugar substitutes will always be available next to coffee; ice will be available next to the tea; and butter will be available next to the bread.

2.8 Daily and weekly menus will be prominently posted at each station in the kitchens and in the dining areas and will be distributed through appropriate campus publications and/or computer services.

2.9 A month prior to the beginning of the fall, spring and summer semesters, the Contractor will submit to MCC for approval a four (4) week cycle menus for board plans. Particular attention should be directed to menus which will not consist of leftovers and convenience items.

2.10 Special diets for students, faculty, and staff or elimination of foods from the menu will be provided in a timely manner when prescribed and approved, in writing, by a medical doctor, and upon consultation with the Contractor’s nutritionist.

2.11 The following minimum food specifications are established and shall be maintained:
- Beef and Veal, USDA Choice
- Pork and Lamb, USDA Choice
- Poultry, USDA Grade “A”
- Eggs and Dairy Products, USDA Grade “A”
- Frozen Foods, USDA Grade “A” Fancy
- Fresh Produce, USDA “I” Quality
- Canned Goods, USDA Grade “A1” Fancy

MCC reserves the right to periodically review all invoices to ensure these specifications are being met.

2.12 MCC is a strong proponent of protecting and preserving our environment. We discourage the use of Styrofoam and other products that have a harmful impact. Please describe how your organization will do its part to address this important concern here at MCC.

3. DINING SERVICES AT MCC

4. CATERING

4.1 The Contractor must demonstrate the knowledge, experience and capability necessary to perform in a first class, professional manner both on campus and for off campus events.

4.2 Catering menus, portions and prices will be approved by MCC for all such services offered. MCC reserves the right to review and/or reject catering for functions which are not related to MCC.

4.3 The prices for catering will be negotiated for under separate arrangements between the Contractor and MCC. A complete catering brochure outlining menu and prices will be available to MCC for review and approval prior to August 1st of each contract year. These prices will remain in effect for one year unless modified by mutual agreement. Variations on catering menu items and pricing are subject to written agreement between the contractor and purchasers.

4.4 The Contractor will be asked to submit a competitive bid to meet the specifications of events to be catered. Bids will be evaluated based on the specific catering needs of each event. MCC reserves the right to use other Catering Services for special events if the contractors catering bid is 15% higher than a competitors bid or items can not be provided by the contractor. Outside caterers must have senior management approval.

4.5 Outside catering will not have access to the contractor’s kitchen or any of their equipment.
5. FINANCIAL, ACCOUNTING METHODS, AND PAYMENT

5.1 Contractor shall inform MCC of the scheduled prices for meals and other food and beverage products in order that the Contractor may plan meals within the budget structure.

5.2 For the first year, FY 2012, the food prices need to be detailed in the proposal as Appendix A. Subsequent years’ pricing will be subject to negotiation with MCC. The Contractor must submit requests for price changes and justification on or before August 1st of each year; the Consumer Price Index should be used as a guide. Disapproval of requested increases and failure to mutually agree to changes shall be considered a failure of performances within the terms of this Agreement.

5.3 Contractor shall furnish meals and food on a credit card and cash basis; these prices will be competitive with the local area market rates.

5.4 Contractor agrees to pay MCC Cafeteria Account based on a proposed percentage (outlined in the response) of all net receipts for gross cash sales and catering sales generated by the Contractor both on and off Campus.

5.5 Payments made by the contractor to MCC Cafeteria Account relative to cash sales and catering sales will be rendered monthly within 15 days after the end of the month. Said payments are to be forwarded directly to the Business Office of MCC.

5.6 All gross income received by the Contractor from all credit card and cash sales shall be recorded at each cash location by an electronic state-of-the-art cash register to be provided by the Contractor at his/her own expense, said cash register shall be equipped with continuous recording tape and/or locked-in readings on which there shall be recorded all gross income received. Said cash register shall also include a tax key for recording and control of sales subject to the New Hampshire Rooms and Meals Tax.

5.7 The Contractor shall maintain such permanent books of account and records including inventories, as may be sufficient to show specifically, the items of total dollar receipts and expenses, receipts and disbursements, and such other information as will correctly reflect the financial condition and results of operations. Quarterly Profit and Loss statements will be issued to the MCC CFO on October 15, January 15, April 15, and July 15. The books and records required shall be available at all times for inspection by MCC for the total food service operation.

5.8 MCC shall have authority to audit the Contractor’s books and records in order to protect the public interest. Such audits shall be supervised by the CFO at MCC, and shall be made as he/she deems necessary to protect the State.

5.9 The Contractor shall provide to MCC at the time of the execution of this contract, a certificate evidencing the issuance of a Workmen’s Compensation Insurance Policy protecting the parties hereto from loss or damage because of liability that may be incurred by the Contractor and the State of New Hampshire or either of them in the performance of the contract, when such liability shall be imposed under the Workmen’s Compensation Act.

5.10 The Contractor shall provide to MCC at the time of the execution of this contract, a certificate evidencing their loss or damage because of liability that maybe incurred by the State and the Contractor or either of them in the performance of the contract, when such liability is imposed on account of illness, injury to, or death of a person or persons. Said policy shall provide for a liability limit on account of each accident resulting in illness, bodily injury, or death in amounts of not less than $250,000.00 per claim and $2,000,000.00 per incident.
5.11 The Contractor shall deposit with MCC at the time of the execution of the contract, a certificate evidencing the issuance of a fire legal liability insurance policy covering loss by fire to any MCC building while occupied by the Contractor, including the CCSNH as named insured, as their interest may appear, and in amounts of coverage acceptable to MCC based upon fair replacement value of said buildings.

5.12 The Contractor will furnish a performance bond which will be ten percent (10%) of the total contract. All policies for insurance and bonds must be countersigned by the New Hampshire Resident Licensed Agent.

6. PERSONNEL

6.1 Contractor shall hire and be the sole employer of all persons. The Contractor will have a full-time Director of Operations. There will also be an Executive Chef with managerial and food preparation experience and a Catering Manager. The Contractor will maintain an adequate staff of its employees on duty during all hours of operation. The Contractor will provide such expertise as needed (e.g. administrative, dietetic, purchasing and equipment consultation, personnel advice and supervision) to ensure quality food service to MCC.

6.2 Contractor will assign for duty only employees acceptable to MCC. Assignments of management personnel must be approved by MCC and no changes in management personnel will be made without prior consultation and consent.

6.3 MCC reserves the right to require the replacement of any management personnel because of operating difficulties determined to be the result of on-site management.

6.4 The Contractor must provide sufficient personnel to ensure prompt service to patrons and must have adequately trained relief of personnel to substitute for absent regular employees.

6.5 Contractor agrees to use MCC students for part-time work, in the performance of this contract provided the use of such students does not interfere with the efficient performance of the Contractor’s duties hereunder. Students will work under the supervision of, and be paid by, the Contractor at a rate of at least the prevailing federal minimum wage.

6.6 The Contractor will give fair trial employment for at least 90 days to non-management employees of the current service agent seeking such employment to determine their ability to perform assigned tasks.

6.7 The Contractor must schedule and conduct an ongoing employee training program, which will include and not be limited to: food preparation, equipment usage, purchasing and accounting procedures, safety and sanitation, and customer service, which will ensure that all employees perform their jobs with the highest standards of efficiency, courtesy, and sanitation.

6.8 All employees must be able to meet background check requirements of working within 500 feet of MCC’s daycare center. MCC has the right to request a background check of any contractor employee.

7. FACILITIES

7.1 MCC shall furnish the Contractor the facilities and equipment in existence at the time of contract execution for the performance of Contractor’s services. A list of equipment owned by the college is listed in Appendix A.
7.2 All MCC equipment and inventory furnished to the contractor must be returned to MCC at the end of the contract term in the same condition as when furnished.
7.3 MCC shall provide all necessary utilities, garbage and rubbish removal from the loading areas.
7.4 In order to maintain a serviceable operation, the Contractor agrees to:
   a. Maintain and repair the equipment used in the provision of services under this Agreement: provided, however, that if any MCC-owned equipment (or any part thereof) is in need of replacement, MCC shall be responsible for any such replacement. The Contractor may provide any labor associated with such replacement.
   b. Assume the payments for replacement of china, glass and silverware.
   c. Furnish laundry, cleaning and supply requirements applicable to its services.
7.5 Contractor agrees to assume the responsibility for the cleaning of all campus kitchens and dining areas.
   A. The utmost importance is placed on proper sanitation standards. National Sanitation foundation (NSF) standards for food service establishments must be maintained. In addition, a health department Grade “A” rating must be maintained at all times;
   B. The Contractor shall examine all food handlers visually, at least daily, to ensure that they are following established hygiene practices in the handling of food:
      • Bathing daily;
      • Wearing clean outer clothing;
      • Keeping fingernails short and clean;
      • Using hairnets, caps or lacquer spray when hair is longer than six (6) inches (applies to both male and female employees);
      • Removing wristwatches and rings, except plain wedding band, during the preparation and service of food;
      • Washing hands with warm water and soap upon reporting for duty, after each visit to the restroom, and after handling raw meat, fish or fowl;
      • Reporting symptoms of infectious diseases, including colds, to medical authorities.
   C. The kitchen will be immaculate and meet all State and City code regulations. The floors will be kept clean throughout the day and there will be no trash such as cardboard boxes, towels, books, etc. lying on top of refrigerators, range shelves or dish tables. Each department will have quick and easy access to a mop and other necessary cleaning utensils and supplies.
   D. The pot area and dish area will be clean and sanitized, with little or no excess water spills on the floor. The trash cans in the kitchens will all be lined with plastic liners, none will be overflowing, and all will have covers on them.
   E. The restrooms in the kitchen area will be kept in immaculate condition.
   F. The receiving areas will be clean and sanitary.
   G. All food in the refrigerators and freezers will be covered with plastic wrap or aluminum foil.
   H. Floors will be cleaned by vacuuming, washing, or mopping. Spray wax and buff tile floors as necessary to maintain their appearance. At least semi-annually, thoroughly strip and wax all tile floors and shampoo carpets.
   I. Steam tables, coffee urns, griddles, condiment containers and tables, etc. will be cleaned at least daily.
   J. Kitchen tables, meat grinders, knives, etc. will be cleaned and sanitized after each use.
   K. Dining room tables, beverage counters and salad bars will be constantly wiped and kept in spotless condition throughout each meal.
L. Cooking surfaces of grills, griddles and similar cooking devices shall be cleaned at least once a day and shall be free from encrusted grease deposits and other debris.

7.6 Contractor agrees that MCC Cafeteria may be used by both MCC and non-MCC groups for non-food related activities. In this circumstance, arrangement for maintenance and cleanliness of the kitchen and dining areas will be worked out with MCC and the Contractor.

7.7 MCC reserves the right to use the Cafeteria anytime except when such use interferes with adequate seating for scheduled meals. In such a case MCC agrees to work out cleaning arrangements with the Contractor.

7.8 All additional equipment and improvements deemed necessary by the Contractor shall be provided at their own expense, and shall be responsible for all necessary electrical, plumbing and ventilating installations in accordance with existing state and federal codes. Approval of food services layouts proposed by the Contractor must be obtained from MCC. Upon termination of the contract, any improvements supplied by the Contractor will become the property of MCC.

7.9 The Contractor shall provide architectural and/or descriptive plans for future enhancement of food preparation areas and service. The plans will contain estimates of cost, equipment and investments on ways to expand and/or consolidate appropriate food service for the future.

7.10 With prior written agreement between MCC and the Contractor if the Contractor makes any investment/improvements to the premises, MCC should take immediate title to the improvements and will amortize the amount over the life of the contract, If the Agreement expires or terminates prior to the full amortization of the investment, MCC shall pay such unamortized amount to contractor within 30 days of expiration or termination.

7.11 The MCC will from time to time need the cafeteria space to host events such as orientation and job fairs for example. The college will notify the contractor at least two weeks in advance of an event and time requirements.

8. LICENSES

8.1 Contractor shall be responsible for the obtaining of all licenses and permits necessary for the conduct of the food operations contemplated hereunder at MCC, and shall comply with all applicable statutes, ordinances, rules and regulations in the performance of this Contract. Any violations and fines resulting from any non-compliance is the sole responsibility of the Contractor.

8.2 The Contractor also agrees to adhere to the performance standards and criteria that are written in the current professional standards manual of the National Association of College and University Food Services (N.A.C.U.F.S.).

9. CONTRACT TERM AND TERMINATION

9.1 Unless terminated in accordance with other provisions of this Agreement, the Services herein described shall be performed during a term commencing on July 1st, 2012 and terminating on June 30, 2015. Two additional one year extensions can be approved by the college without undergoing a full bid process. The effectiveness of this Agreement and any subsequent modifications and amendments are subject to the approval of MCC.

9.2 The Contractor must provide all OMB Assurances.

9.3 In the event that MCC is required to provide the services herein described, or is required by MCC to discontinue this program or use the facilities for any other purpose, MCC shall give prompt notice of any such reduction or termination of funds. If such notice is not given, MCC will be liable to Contractor for payment for services rendered until such notice is given.
9.4 In the event that the Contractor shall default in the satisfactory performance of services to be performed or of any of its obligations hereunder, and such default shall not be corrected within thirty (30) days of written notice by MCC specifying the default, then and in such event MCC may serve an immediate notice of termination upon the Contractor, and this Agreement shall terminate upon the date such notice is mailed in accordance with the paragraph below. In the event of such termination, MCC shall have all rights and remedies granted either in law or in equity.

9.5 Any notice by a party hereto to the other party shall be deemed to have duly delivered or given at the time of mailing, postage prepaid, addressed to the parties at the addresses set forth above.

9.6 This contract maybe canceled by either party upon written notice ninety (90) days prior to the desired termination date.

9.7 The Contractor covenants to indemnify and hold harmless MCC from and against any and all losses suffered by MCC, and any and all claims, liabilities or penalties asserted against MCC by or on behalf of any person on account of, based on, resulting from, arising out of (or which maybe claimed to have arisen out of) the acts or omissions of the Contractor. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of MCC. This covenant shall survive the termination of this Agreement.

9.8 The Contractor agrees to abide by all applicable federal and state laws, rule and regulations relating to this program and the use of federal and state funds.

9.9 This Agreement, executed in a number of counterparts each of which shall be deemed an original but which constitute one and the same instrument, is to be construed in accordance with the laws of the State of New Hampshire, sets forth the entire Agreement between the parties, and may be cancelled, modified or amended only by a written instrument executed by MCC and the Contractor and, if necessary, CCSNH. The section headings are used only as a matter of convenience and are not to be considered a part of this Agreement or to be used in determining the intent of the parties to it.

9.10 Notwithstanding the foregoing payment provisions it is understood and agreed that the MCC’s obligations to make payments and to perform its obligations hereunder are contingent upon the availability of funds appropriated by the New Hampshire General Court for this purpose and MCC shall not be liable for costs in excess of such funds.

9.11 It is understood and agreed by the parties hereto that in the performance of this Agreement, the Contractor is in all respects an independent contractor and is neither an agent nor an employee of MCC. The Contractor is not entitled to workers compensation or any other benefits or emoluments of employment which the MCC provides its regular employees.

9.12 All Contractors’ employees will comply with MCC policies and regulations.
