PLEASE DIRECT ANY QUESTIONS REGARDING THIS BID TO: KIMBERLY BRENT

YOU MAY: EMAIL YOUR BID TO: purchasing@ccsnh.edu
FAX YOUR BID TO: 603-272-2725
MAIL YOUR BID TO: Kimberly Brent, CCSNH, 26 College Dr, Concord NH 03301

BID INVITATION FOR: USED CATERPILLAR 262C SKID STEER LOADER

Unless specifically amended or deleted by the Community College System of New Hampshire, the following General Terms and Conditions apply to this Bid and any resulting Purchase Order or Contract.

GENERAL CONDITIONS AND INSTRUCTIONS:

NATURE OF, AND ELIGIBILITY TO RESPOND. This bid invitation is submitted and the rules promulgated thereunder, and constitutes a firm and binding offer. A bid may not be withdrawn unless permission is obtained from the Community College System of NH (CCSNH).

Bids may be issued only by the Community College System of NH and are not transferable.

SAMPLES AND DEMONSTRATIONS. When samples are required they must be submitted free of costs and will not be returned.

Items left for demonstration or evaluation purposes shall be delivered and installed free of charge and shall be removed at no cost to the CCSNH. Demonstration units shall not be offered to the CCSNH as new equipment.

Bids. Bids must be received at the Community College System of NH before the date and time specified for the opening. Bids must be submitted on this bid form or exact copies and must be typed or clearly printed in ink. Corrections must be initialed. Bids are to be made less Federal Excise Tax and no charge for handling unless required by law.

Bids will be made available to the public after the time of award. Bid results will be given by mail only if requested in writing and accompanied by a self-addressed, stamped business size envelope.

SPECIFICATIONS. Vendors must submit on items as specified. Proposed changes must be submitted in writing and received at the Community College System of NH at least five (5) working days prior to the bid opening. Vendors shall be notified in writing if any changes to the specifications are made.

AWARD. The award will be made to the responsible Vendor submitting a conforming RFB meeting specifications at the lowest cost unless other criteria are noted in the RFB. Unless otherwise noted, the award may be made by individual items.

If there is a discrepancy between the unit price and the extension, the unit price will prevail.

When identical low bids are received the award will be made in accordance with the Administrative Rules.

Discounts will not be considered in making award but may be offered on the Invoice for earlier payment and will be applicable on the date of completion of delivery or receipt of Invoice, whichever is later. On orders specifying split deliveries, discounts will apply on the basis of each delivery or receipt of Invoice, whichever is later.

PATENT INFRINGEMENT. Any responding vendor who has reason to believe that any other responding vendor will violate a patent should such responding vendor be awarded the contract shall set forth in writing, prior to the date and time of opening, the grounds for his belief and a detailed description of the patent.

ASSIGNMENT PROVISION. The responding vendor hereby agrees to assign all causes of action that it may acquire under the antitrust laws of New Hampshire and the United States as the result of conspiracies, combinations, or contracts in restraint of trade which materially affect the price of goods or services obtained by the state under this contract if so requested by the State of New Hampshire.

FEDERAL FUNDS. The Community College System of NH shall assure the continuation or granting of federal funds or other assistance not otherwise provided for by law by following the Federal Procurement Standards.

CCSNH’S OPTIONS: The Community College System of NH reserves the right to reject or accept all or any part of any bid, to determine what constitutes a conforming bid, to award the bid solely as it deems to be in the best interest of the CCSNH, and to waive irregularities that it considers not material to the bid.

PUBLIC INFORMATION: The responding vendor hereby acknowledges that all information relating to this bid and any resulting order (Including but not limited to fees, contracts, agreements and prices) are subject to these laws of the State of New Hampshire regarding public information.

PERSONAL LIABILITY: The responding vendor agrees that in the preparation of this bid or the execution of any resulting contract or order, representatives of the Community College System of NH shall incur no liability of any kind.

PROOF OF COMPLIANCE. The responding vendor may be required to supply proof of compliance with proposal specifications. When requested, the responding vendor must immediately supply the Community College System of NH with certified test results or certificates of compliance. Where none are available, the CCSNH may require independent laboratory testing. All costs for such testing certified test results or certificate of compliance shall be the responsibility of the responding vendor.

FORM OF CONTRACT. The terms and conditions set forth in any additional Terms and Conditions by the Community College System of NH are part of the bid and will apply to any contract awarded the responding vendor unless specific exceptions are taken and accepted and will prevail over any contrary provisions in Terms and Conditions submitted by the responding vendor.

OFFER. The undersigned hereby offers to sell to the Community College System of NH the commodities or services indicated in the following page(s) of this Bid at the price(s) quoted in complete accordance with all conditions of this Bid.

Company Name: ____________________________________________

Address: __________________________________________________

Tel#: ____________________________  (Toll free)________________

Fax#:___________________________

Authorized Signature: ________________________________________

(TYPE OR PRINT NAME)

This document must be signed by a person who is authorized to legally obligate the responding vendor. A signature on this document indicates that all State of NH & Community College System of NH terms and conditions are accepted by the responding vendor and that any and all other terms and conditions submitted by the responding vendor are null and void, even if such terms and conditions have terminology to the contrary. The responding vendor shall also be subject to State of New Hampshire/CCSNH terms and conditions as stated on the reverse of the purchase order.
1. The Community College System of NH (CCSNH), engages the firm or individual (“the Vendor”) to perform the services and/or sale of goods, described in the attached CCSNH documents, if any, and the Vendor’s bid or quotation, both of which are incorporated herein by reference.

2. COMPLIANCE BY VENDOR WITH LAWS AND REGULATIONS. In connection with the performance of this agreement, the Vendor shall comply with all statutes, laws, regulations, and orders of federal, state, county or municipal authorities which shall impose any obligation or duty upon the Vendor, including, but not limited to civil rights and equal opportunity laws.

3. TERM. The contract, and all obligations of the parties thereunder, shall become effective on a specified date and shall be completed in their entirety prior to a specified date. Any work undertaken by the Vendor prior to the effective date shall be at his sole risk and, in the event that the contract shall not become effective, the CCSNH shall be under no obligation to reimburse the Vendor for any such work.

4. CONTRACT PRICE. The contract price, a payment schedule and a maximum limitation of price shall be as specified by the bid invitation and the Vendor’s bid. All payments shall be conditioned upon receipt and approval by the CCSNH, of appropriate vouchers and upon satisfactory performance by the Vendor, as determined by the CCSNH. The payment by the CCSNH of the Contract Price shall constitute complete reimbursement to the Vendor for all expenses of any nature incurred by the Vendor in the performance by the Vendor and complete payment for the Services. The CCSNH shall have no other liability to the Vendor.

5. DELIVERY. If the Vendor fails to furnish items and/or services in accordance with all requirements, including delivery, the CCSNH may re-purchase similar items from any other source without competitive bidding, and the original vendor may be liable to the CCSNH for any excess costs.

6. INVOICING. All invoices must show Order Number, Unit and Expansion Prices and discounts allowed. A separate invoice shall be submitted for each order. Unless otherwise noted on the invitation to bid or purchase order, payment will not be due until thirty (30) days after all services have been completed, or all items have been delivered, inspected and accepted or the invoice has been received at the agency business office, whenever is later.

7. PERSONNEL. 7.1. The Vendor shall disclose in writing the names of all owners (5% or more), directors, officers, employees, agents or subcontractors who are also officials or employees of the State of New Hampshire/CCSNH. Any change in this information shall be reported in writing within fifteen (15) days of their occurrence.

7.2. The person signing this agreement on behalf of the CCSNH, or his or her delegate (“Contracting Officer”) shall be the CCSNH’s representative for purposes of this agreement. In the event of any dispute concerning the interpretation of this agreement, the Contracting Officer’s decision shall be final.

8. EVENT OF DEFAULT: REMEDIES. 8.1. Any one or more of the following acts or omissions of the Vendor shall constitute an event of default hereunder (“Events of Default”):

8.1.1. failure to deliver the goods or services satisfactorily or on schedule; or

8.1.2. failure to submit any report required hereunder; or

8.1.3. failure to perform any of the other covenants and conditions of this agreement.

8.2. Upon the occurrence of any Event of Default, the CCSNH may take any one, or more, or all, of the following actions:

8.2.1. give the Vendor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely remedied, terminate this agreement, effective two (2) days after giving the Vendor notice of termination; and

8.2.2. give the Vendor a written notice specifying the Event of Default and suspending all payments to be made under this agreement and ordering that the portion of the Contract Price, which would otherwise accrue to the Vendor during the period from the date of such notice until such time as the CCSNH determines that the Vendor has cured the Event of Default, shall never be paid to the Vendor; and

8.2.3. set off against any other obligation the CCSNH may owe to the Vendor any damages the CCSNH suffers by reason of any Event of Default; and

8.2.4. treat the agreement as breached and pursue any of its remedies at law or in equity, or both.

9. WAIVER OF BREACH. No failure by the CCSNH to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event, or any subsequent Event. No express failure of any Event of Default shall be deemed a waiver of any provision hereof. No such failure or waiver shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other default on the part of the Vendor.

10. VENDOR’S RELATION TO THE CCSNH. In the performance of this agreement the Vendor is in all respects an independent contractor, and is neither an agent nor an employee of the CCSNH. Neither the Vendor nor any of its officers, employees, agents or members shall have authority to bind the CCSNH nor are they entitled to any of the benefits, workmen’s compensation or emoluments provided by the CCSNH to its employees.

11. ASSIGNMENT AND SUBCONTRACTS. The Vendor shall not assign, or otherwise transfer any interest in this agreement without the prior written consent of the CCSNH. No work required by this contract shall be subcontracted without the prior written consent of the CCSNH.

12. INDEMNIFICATION. The contractor shall defend, indemnify and hold harmless the State, its officers and employees, from and against any and all losses suffered by the State, its officers and employees, and any and all claims, liabilities or penalties asserted against the State, its officers and employees, by or on behalf of any person, on account of, based on, resulting from, arising out of (or which may be claimed to arise out of) the acts or omissions of the Vendor. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant shall survive the termination of this agreement.

12.1 PATENT PROTECTION. The seller agrees to indemnify and defend the State of New Hampshire from all claims and losses resulting from alleged and actual patent infringements and further agrees to hold the CCSNH harmless from any liability arising under RSA 382-A:2-312(3). (Uniform Commercial Code).

13. TOXIC SUBSTANCES. In compliance with RSA 277-27: A known as the Workers Right to Know Act, the vendor shall provide Material Safety Data Sheets with the delivery of any and all products covered by said law.

14. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given below.

15. AMENDMENT. This agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto.

16. CONSTRUCTION OF AGREEMENT AND TERMS. This agreement shall be construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns.

17. ADDITIONAL PROVISIONS. The additional provisions (if any) have been set forth as Exhibit “A” hereto.

18. ENTIRE AGREEMENT. This agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire agreement and understanding between the parties, and supersedes all prior agreements and understandings relating hereto.
BID INVITATION FOR:
USED CATERPILLAR 262C SKID STEER LOADER

INSTRUCTIONS TO BIDDER:
Read the entire bid invitation prior to filling it out. Complete the pricing information in the “Offer” section (the unit price is the price for the unit of purchase required by this bid invitation {i.e. each, case, box, etc.}) and all other required information on your offer. The extension is the unit price multiplied by the quantity required by this bid invitation. Also complete the “Bidder Contact Information” section. Finally, complete the company information on the “General Conditions and Instructions” page of this bid invitation, then sign the bid in the space provided on that page.

BID SUBMITAL:
All bids must be submitted on this form or an exact copy, must be typed or clearly printed in ink and must be received on or before the date and time specified on page 1 of this bid. Interested parties may submit a bid to the Community College System of NH, 26 College Dr, Concord NH 03301 by email to purchasing@ccsnh.edu or if needed, may fax to (603)271-2725. All bids must be clearly marked with bid number, date due and purchasing agent’s name.

The Community College System of NH is not responsible for proposals not received due to equipment failure, mail delays, etc. If you want to ensure your proposal was received please verify by calling Kimberly Brent at (603)230-3540.

GOVERNING TERMS AND CONDITIONS:
A responding bid that has been completed and signed by your representative will constitute your company’s acceptance of all State of New Hampshire/CCSNH terms and conditions and will legally obligate your company to these terms and conditions.

A signed response further signifies that any terms/or conditions that me be or have been submitted by the bidder are specifically null and void and are not a part of this bid invitation or any awarded purchase order, even if said terms and/or conditions contain language to the contrary.

PUBLIC DISCLOSURE:
Any information contained in the bid that a vendor considers confidential must be clearly designated. Marking of the entire bid or entire section of the bid (e.g. pricing) as confidential will neither be accepted nor honored. Notwithstanding any provision of this bid to the contrary, vendor pricing will be subject to public disclosure upon the effective date of all resulting contracts or purchase orders.

Generally, each bid shall become public information upon the effective date of all resulting contracts or purchase orders; however, to the extent consistent with applicable state and federal law and regulations, as determined by the State, including, but not limited to, RSA Chapter 91-A (Right to Know Law), the State/CCSNH shall endeavor to maintain the confidentiality of portions of the bid that is clearly and properly marked confidential. If a request is made to CCSNH to view portions of a bid that a vendor has properly and clearly marked as confidential, CCSNH will notify vendor of the request and of the date that CCSNH plans to release the records. By submitting a bid, vendors agree that unless the vendor obtains a court order, at its sole expense, enjoining the release of the requested information, CCSNH may release the requested information on the date specified in the CCSNH’s notice without liability to the vendors.

PURPOSE:
The purpose of this bid invitation is to establish contract in the form of a purchase order for supplying Community College System of NH with the item(s) indicated in the “Offer” section of this bid invitation, in accordance with the requirements of this bid invitation and any resulting order. This will be a one-time order with delivery required to the location indicated in the F.O.B. section of this bid invitation.

VENDOR CERTIFICATIONS:
All bidders must be duly registered as a vendor authorized to conduct business in the State of New Hampshire.

- The winning bidder must have a completed alternate W-9 on file with the Community College System of NH. If the winning bidder does not have a completed alternate W-9 on file, they will be required to completely fill the alternate W-9 and return to CCSNH before a purchase order will be issued.
**BID INQUIRIES:**
Any questions must be submitted by an individual authorized to commit their organization to the Terms and Conditions of this bid. Submissions must clearly identify the Bid Number, the Vendor’s name and address and the name of the person submitting the question.

**SPECIFICATION COMPLIANCE:**
The manufacturer and model is the only one acceptable under this bid invitation. Substitutions are not allowed.

Unless otherwise specified by the Community College System of NH in this bid invitation document, all equipment offered by the bidder must be new; shall not be used, rebuilt, refurbished; shall not have been used as demonstration equipment, and shall not have been placed anywhere for evaluation purposes.

**CHANGES:**
Any requested changes to this bid invitation by the bidder must be received in writing at the Community College System of NH no later than 4:30 PM on the fifth Community College System of NH business day prior to the date of the bid opening.

**ADDENDUM:**
In the event it becomes necessary to add or revise any part of this bid prior to the schedules submittal date, CCSNH will post on our website any addenda. Before your submission, always check the site for any addenda or other materials that may have been issued affecting the bid. The website address is www.ccsnh.edu/bidding

**BID PRICES:**
Bid prices must be in US dollars and must include delivery and all other costs required by this bid invitation. Bid prices should result in prices that are no higher than those charged to the bidder’s best/preferred customer. Special charges, surcharges, or fuel charges of any kind (by whatever name) may not be added on at any time. Any and all charges must be built into your bid price at the time of the bid.

**WARRANTY REQUIREMENTS:**
Successful bidder shall be required to warranty all of the equipment awarded to him for a period of not less than, manufacturer’s standard period of time, from the date the items are received, inspected and accepted by the Community College System of New Hampshire. The warranty shall cover 100% of all parts, shipping, labor, travel, lodging and expenses.

**BID AWARD:**
The award of the bid will be based upon the total net low bid from the listing of the items indicated in the "Offer" section of this bid invitation. If an award is made it will be in total, in the form of a Community College System of NH Purchase Order.

If upon the award of any bid of multiple items (awarded by line item) it is determined that an order for any particular item would be $500.00 or less, and said item would be the only item on a purchase order, the state reserves the right to award that item to a bidder already receiving an award for multiple items.

**BID RESULTS:**
Bid results may be viewed when available, once the award has been made, on our web site only at: www.ccsnh.edu/bidding under the closed tab (which is at the bottom of the page).

For Vendors wishing to attend the bid opening: Only the names of the Vendors submitting responses will be made public.

**TERMINATION:**
The Community College System of NH shall have the right to terminate the purchase contract at any time by giving the successful bidder a thirty (30) day written notice.

**F.O.B.:**
The F.O.B. shall be destination to the following delivery point:

White Mountains Community College
2020 Riverside Dr
Berlin NH 03570

**REQUISITION NO.:** R0067454
RETURNED GOODS:
The successful bidder must resolve all order and invoice discrepancies within five business days from notification. Products returned due to quality issues, duplicate shipments, over-shipments, etc. must be picked up by the successful bidder within five business days of notification with no restocking or freight charges, and must be replaced with specified products or the agency will be refunded/credited for the full purchase price. Unauthorized substitutions for any products are not allowed.

Standard stock products ordered in error by the Community College System of NH must be returned for full credit within fifteen days of receipt. Products must be in re-sellable condition (original container, unused) and there will be no restocking fee charged for these products. The using campus will be responsible for any freight charges to return these items to the successful bidder.
OFFER:
Successful bidder hereby offers to sell the required items to the Community College System of NH at the following price(s):

BASIC SPECIFICATIONS:

- Engine net flywheel power shall be at least 82 hp (61 kW) according to SAE J1349.
- The machine shall have an operating weight of at least 7,968 lb (3614 kg).
- Machine shall have a maximum length of 145 in (3692mm) with bucket on ground and 117 in (2979mm) without bucket.
- The wheelbase shall be 48.8 in (1240mm).
- Machine shall have a maximum overall height of 160.4 in (4075mm).
- The height to the top of the cab shall be 82.8 in (2104 mm).
- The vehicle width over the tires shall be 66 in (1676 mm).
- Machine shall have a minimum ground clearance of no less that 8.8 in (225 mm).

ENGINE:

- Machine shall be EPA Tier III compliant.
- Engine shall be designed and built by the skid steer loader manufacturer.
- Engine shall be direct fuel injected, turbocharged, liquid cooled and shall have four cylinders.
- Engine shall have a total displacement of not less than 201 in³ (3.3 L).
- The engine shall be equipped with an alternator that has a charging capacity of at least 90 amperes.
- Glow plugs shall be provided for improved starting in cold weather (not ether starting aid).
- Air filtration shall be accomplished via a radial seal air cleaner with a secondary backup. The air intake system shall include a pre-cleaner, as well as a convenient in-cab air flow restriction indicator.
- The radiator shall not have any other cooler or condenser mounted on top or below, restricting cooling capability.
- The engine and hydraulic oil coolers shall have an ambient temperature cooling capacity of 109° F (43°C).
- The cooling fan and radiator shall be able to tilt up via a gas strut, allowing easy access to the engine.
- The cooling fan shall not be belt driven, but should be powered by a hydraulic motor that is demand driven (Activated by an electrical solenoid) based on weather climate, when fan is active it must maintain constant airflow and fan speed, even under a load that would cause the engine to lug.
- The machine shall have a speed-sensing valve that automatically de-strokes the hystat pump to reduce the chance of stalling the engine during lugging.
- There shall be no more than two belts driven off the engine.
- The machine shall have braided, color-coded and numbered wiring harness for easy diagnostics.

ENGINE CONTINUED:
- The machine shall have sealed pin connectors to prevent dirt and moisture infiltration.
- The machine shall be equipped with a battery that has at least 12 volts and 850 CCA for cold start capabilities in 32° F (0°C) climate.
- The machine shall have a main system relay with 105 amp circuit breaker protection to prevent fires.

POWERTRAIN/TRANSMISSION:
- Two hydrostatic axial piston drive pumps shall be splined directly to the engine via a flexible coupling for maximum efficiency, reliability and serviceability.
- Hydrostatic drive pumps shall be contained in a mono-block housing for maximum reliability and durability.
- Hand and foot throttles shall be provided to allow the operator to match engine speed to a task. The hand throttle shall allow the operator to maintain consistent engine speed and the foot throttle shall allow the operator to vary engine speed and minimize fuel consumption.
- An electronic torque management feature shall allow maximum power to the wheels while minimizing engine stalling.
- Maximum forward travel speed shall be at least 7.7 mph (12.5 kph) / 12.0 mph (19.3 kph) for 2 speed if equipped.
- Maximum reverse travel speed shall be at least 7.7 mph (12.5 kph) / 12.0 mph (19.3 kph) for 2 speed if equipped.
- Drive motors shall transfer mechanical power to the wheels via two high-strength, pre-stressed chains per machine side. (100 strength Chain)
- The machine shall be capable of chain adjustment in order to compensate for drive train wear.

STEERING:
- The machine shall be equipped with a single, hydraulically operated joystick that controls the forward/reverse and steering directions.
- Machine must be equipped with a selectable pattern control changer to operate in either “ISO” Pattern or “H” Pattern.
- Machine must have seat mounted / adjustable joystick controls.
- Full turning radius from the center without a bucket shall be less than 66 in (1673 mm).

BRAKES:
- Machine shall have a spring applied, hydraulically released parking brake that shall automatically engage when arm bar is raised, and shall be designed to hold machine static at any point on a 2 to 1 slope.

**OPERATORS STATION:**
- The machine shall be equipped with deep skid-resistant, self-cleaning steps.
- The machine shall have no foot controls used to operate loader arm, tilt function or auxiliary hydraulics.
- The machine must be equipped with an “Air Ride” Suspension Seat.
- The machine must have a sealed & pressurized cab.
- The machine shall be equipped with both a hand and a foot throttle.
- The machine must be equipped with selectable boom/bucket speed control as well as travel speed control.
- The machine shall have a retractable seat belt.
- The machine shall come standard with an arm bar that when lifted, automatically engages the machine parking brake for added operator comfort and safety.
- The machine shall be equipped with ROPS/OPS protective structures rated to at least 12,345 lb (5600 kg).
- Cab door must be equipped with a 2 quick release handles to remove front door as well as a quick release gas strut door assist that requires no use of tools to remove.
- The machine shall have a heater capacity of at least 14,000 Btu (3528 kcal).
- Heater shall be equipped with an integrated shutoff valve for summer operation.
- The machine shall have audible warning alarms for engine Coolant temperature, engine oil pressure and hydraulic oil temperature.
- Machines equipped with a door shall be equipped with a hydraulic lockout mechanism that prevents loader arm movement with door in open position.
- Machine shall be equipped with a convex, rearview mirror for superior visibility to the rear and sides of the machine.
- Machine must have removable side & bottom window that require no use of tools to remove.
- Machine shall be equipped with a standard 12V electrical socket.

**LOADER LINKAGE/STRUCTURES:**
- Loader linkage shall be equipped with a split style D-ring for simple auxiliary hose securing.
- The pins shall have countersunk grease fittings to protect them from damage.
- The machine shall be equipped with two tilt cylinders, protected by a heavy-duty torque tube.
- The machine shall have a tipping capacity of at least 5400 lb (2450 kg).
- The machine shall have a dump angle of at least 50° for superior bucket cleanout.
- The machine shall have an arched transition to the coupler for increased dump clearance.

**LOADER LINKAGE/STRUCTURES CONTINUED:**

- Vertical lift linkage must provide visibility under the loader arm to left & right sides when bucket is in the carry position.
- The machine shall have a rated operating capacity of at least 2,945 lb (1336 kg) with adding additional counterweights.
- The machine shall have a rated operating capacity of at least 2,700 lb (1225 kg) without adding additional counterweights.
- Pins in the loader linkage shall be forged and induction hardened and shall be the same diameter all the way through using a flagged end to secure them to one side allowing them to rotate in the corresponding bore.
- The vertical lift linkage shall provide a consistent and uniform lift path for maximum reach throughout the entire lift cycle.
- Hinge pin height at maximum lift shall be at least 127 in (3233mm).
- Reach at maximum lift and dump shall be at least 30.7 in (781 mm).
- Clearance at maximum lift and dump shall be at least 96.4 in (2450 mm).
- Rack back angle at maximum height shall be 85 degrees.
- Maximum reach with arms parallel to the ground shall be 50.5 in (1283 mm).
- Tilt cylinder breakout force shall be at least 7315 lb (3318 kg).

**WORK TOOL OPTIONS:**

- Machine shall have a universal quick coupler.
- Coupler shall have the following features: a low profile side plate designed for optimum match to work tools and minimal material packing, opposing wedges to ensure a tight tool fit, large contact areas to absorb loads and minimize stress, chrome plated and lubricated vertical pins for smooth engagement and prevention of corrosion.
- Coupler shall have manual engagement and disengagement of work tools using two high leverage handles.
- A hydraulic quick coupler shall be available to allow engagement and disengagement without needing the operator to exit the machine.

**SERVICEABILITY:**

- Maintenance points shall be grouped in easily accessible locations.
- The machine shall be equipped with grouped, spin-on, fuel/water separator, engine oil and hydraulic oil filters, none of which are horizontally mounted.
- The engine shall be mounted lengthwise for better accessibility.
- The radiator, hydraulic oil cooler and grill shall be protected by a guard, and shall tilt up via a gas-assisted strut to gain access to the engine.
- The machine shall be equipped with sight gauges on the hydraulic tank and the radiator.
- The machine shall be equipped with standard system pressure and fluid analysis test ports.
- The machine shall have an electronic port allowing electronic machine diagnostics.
- The machine shall have a cab that tilts to the rear exposing all pumps, motors, valves and lines by an individual using a single tool.
OFFER CONTINUED:
Successful bidder hereby offers to sell the required items to the Community College System of NH at the following price(s):

MINIMUM SERVICE FILL CapacITIES:
• Cooling system shall have a minimum 3.7 gal (10 L) capacity.
• Fuel tank shall have a minimum 26 gal (98 L) capacity.
• Hydraulic system shall have a minimum 15 gal (57 L) capacity.
• Hydraulic tank shall have a minimum 11 gal (42 L) capacity.
• Chain box shall have a 2.6 gal (10 L) capacity.
• Engine crankcase shall have a 2.6 gal (10 L) capacity.

OWNING AND OPERATING Costs:
• Extended life coolant shall be standard.
• The machine shall have recommended 500-hour engine change intervals.

If there is an educational discount, please apply.

MODEL YEAR (must be 2008 or newer): ____________________________

HOURS ON MACHINE (1700 or less hours on machine): ________________

DELIVERY TIME:
Note: Delivery is to be accomplished no later than 30 days ARO. However delivery will be accepted sooner.
**BID RESULTS:**
Bid results may be viewed on our web site at: [http://www.ccsnh.edu/bidding/](http://www.ccsnh.edu/bidding/) click on the Closed Bids Tab. Bid results will be mailed to you if you include a self-addressed envelope with the correct amount of postage on it. Bid results will not be given by telephone.

**ATTACHMENTS:**
The following attachments are an integral part of this bid invitation:

There are no attachments

**Note:** To be considered, bid must be signed on front cover sheet in the space provided.
