You may be eligible for additional scholarships that require additional information. The Dashboard will prompt you to provide this. In this example, the applicant qualifies for the Art Portfolio and Community Service scholarships, but additional follow-up information is required to apply for them. The applicant needs to click the Complete Follow-Up button to provide the required responses and/or documentation.

In this example, the applicant needs to respond to an essay questions and upload a community service document in order to be able to apply for the Community Service Scholarship.
After completing all follow-up items for the scholarship, click the **Resubmit Application** button to submit your application. Proceed through all Follow-Up items for all scholarships listed until you see “0 Items requiring completion” on your Dashboard.

You are all set! Your organization’s administrator will provide you further direction if it is needed.
