Please contact Rob Bowen at 230-4120 or rbowen@ccsnh.edu with questions regarding the walk through.

ADDITIONAL INFORMATION:

NHTI reserves the right to make a written request for additional information from a bidder to assist in understanding or clarifying a Bid Proposal. The responses are to be provided in writing.

All local, state and federal regulations are to be followed. Any fines assessed to CCSNH or NHTI due to the lack of these regulations being followed will be the responsibility of the successful bidder.

The Contractor who is awarded the contract will need to complete a Form Contract for Services (sample available upon request) and provide the required Corporate Resolution (corporations/LLC) or Partnership Certificate of Authority or Sole Proprietor Certification of Authority, whichever applies, to show the individual signing the contract is authorized to do so. The Contractor will also need to supply a current Certificate of Good Standing from the NH Secretary of State.

Workers' compensation requirements as outlined in the Form Contract for Services and as required by NH law must be followed, and includes, in part, providing proof by the Contractor of workers' compensation insurance coverage for all of its employees on this site.

After the Award of Bid, the Contractor shall submit a list of all employees, all subcontractor's employees, and other related personnel who will be physically required to work at NHTI providing the following information for each person:

Name

Employer's Company Name

NHTI reserves the right to request a criminal background check on any employee of Contractor. NHTI also in its discretion may decide that anyone with a criminal history, other than traffic violations that have not been annulled, will not be allowed to work at the project site.

COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS - EQUAL EMPLOYMENT OPPORTUNITY.

In connection with the performance of the Services, the Contractor shall comply with all statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal opportunity laws. In addition, the Contractor shall comply with all applicable copyright laws. During the term of any contract, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination. If the contract is funded in any part by monies of the United States, the Contractor shall comply with all the provisions of Executive Order No. 11246 ("Equal Employment Opportunity"), as supplemented by the regulations of the United States Department of Labor (41C.F.R. Part 60), and with any rules, regulations and guidelines as the State of New Hampshire or the United States shall issue to implement these regulations. The Contractor further agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of a proposed contract.

INSURANCE:

Insurance will be more fully addressed at the time a Form Contract for Services is submitted after the bidding process. The Contractor awarded the contract will need to furnish an insurance certificate which includes the following:

The Contractor shall, at its sole expense, obtain and maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, both for the benefit of CCSNH and NHTI, the following insurance: Comprehensive general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than \$1,000,000 per occurrence and \$2,000,000 aggregate.

This insurance is in addition to the workers' compensation insurance requirements outlined above in this document.

The policies shall be the standard form employed in the State of New Hampshire, issued by underwriters acceptable to the CCSNH, and authorized to do business in the State of New Hampshire.

The certificates shall contain a clause prohibiting cancellations or modifications of the policy earlier than 10 days after written notice thereof has been received by NHTI.

The certificates are required to name Community College System of New Hampshire and NHTI as additional insureds.
