

# Community College System of New Hampshire

## Tuition and Fees: Academic Year 2020 – 2021

### Tuition Rates

In addition to having the lowest college tuition in New Hampshire, The Community College System of New Hampshire (CCSNH) strives to make college affordable through scholarships and loans. Our affiliated [Foundation](#) provides scholarship assistance to eligible students enrolled at any College within the system, and each College offers [financial aid](#) in the forms of grant aid, work study, and loans.

CCSNH charges the following tuition rates for academic year 2020 – 2021

In-State and all online courses	New England Regional*	Out-of-State / International
\$215 per credit hour	\$323 per credit hour	\$490 per credit hour

As an example, an Associate in Arts program is a minimum of 60 credit hours. Therefore, the total cost of the two-year program is 60 X \$215, or \$12,900 over two years – \$3,225 per semester. This calculation does not include financial aid, nor does it include fees or credits that may be required above 60 credit hours. Rather it is intended to illustrate how per-credit-hour prices cost per-semester and per-program.

A non-refundable fee of \$100 is charged for admission of international students. Additionally, colleges may require a non-refundable tuition deposit of \$100.

All tuition and fees are subject to change without prior notice.

*\*The New England Regional Student Program is available through the New England Board of Higher Education ([nebhe.org](http://nebhe.org))*

### Tuition Discounts

In addition to financial aid and scholarships, CCSNH offers discounts for many people. These include:

- Students who live within fifty miles of a College but live out-of-state may be eligible to pay the in-state rate instead of New England Regional. Contact your College's Business Office to learn more.
- CCSNH charges dual enrollment students in our Early College program half-price tuition
- Dual-credit students taught in NH high schools as part of the Running Start program pay only \$150 per course (prorated for courses fewer than three credit hours).
- Eligible full-time CCSNH employees do not pay tuition, nor comprehensive student and academic instruction fee. Their dependents pay half-price tuition, plus applicable fees.
- Each Running Start faculty member receives one course voucher for every Running Start course taught to be used toward cost of tuition (fees excluded) and may elect to transfer this voucher.
- Preceptors / Clinical or practicum supervisors receive non-transferable fifty percent tuition vouchers for one course or workshop (these cannot be combined with any other discount).
- Senior citizens pay half price tuition on credit courses, as well as all applicable fees.
- National Guard members meeting prerequisites of the National Guard Education Assistance Program do not pay tuition, though are subject to all applicable fees and must matriculate into a degree-enhancing program.

CCSNH provides other discounts and [tuition waivers](#). For information on these and other scholarships, call your College's Financial Aid Office.

## Fees

In addition to tuition, CCSNH charges fees to ensure our facilities and programs have the most up-to-date facilities, materials and equipment.

The comprehensive student services fee differs per-College since CCSNH calculates it by the levels of staff and facilities required at each College. See below for *per-credit-hour* costs for the 2018-2019 academic year.

Great Bay	Lakes Region	Manchester	Nashua	NHTI	River Valley	White Mountains
\$25	\$9	\$20	\$23	\$25	\$9	\$20

In addition, CCSNH charges academic fees for specific programs and courses. These include:

<b>Academic Instruction Fee</b>	\$110 per lab-based credit hour, excluding co-op and internship courses.
<b>Clinical Surcharge</b>	\$500 per semester for nursing, dental, diagnostic medical sonography, orthopedic technology, surgical technology, paramedic programs and all other Allied health programs, and RVCC Practicums/Clinicals for OTA and PTA

Some programs require drug testing, liability insurance, and pre-admission examination. These rates are listed below.

<b>Drug Testing</b>	\$125
<b>Student Personal Professional Liability Insurance</b>	\$10 - \$65, depends on program
<b>Pre-Admission Exam For Nursing / Dental</b>	Up to \$100
<b>Pre-Admission Re-scheduling Fee</b>	\$10

In addition to the above, each CCSNH College offers some programs that have other fees associated with recovering costs for equipment in use in particular courses and areas of study. These are listed in full detail in the section “Per-College Fees” below.

### Credit for prior learning

Students should take advantage of opportunities to earn credit for prior learning, whether through portfolio assessment, standardized exam, or other mechanisms. For the 2018-2019 academic year, rates for such services are as follows:

<b>Credit by Examination (generic)</b>	\$25 per credit
<b>Skills Assessment Manager</b>	\$9
<b>Collegiate Level Examination Program (CLEP) Administration</b>	\$25
<b>Experiential Learning, including portfolio review</b>	50 percent of per-credit cost of tuition

Non-CCSNH students pay \$50 for proctored exams.

Some *non-students* may need to take an ACCUPLACER or ALEKS test exam. The cost for this exam is \$30.

### Payment Plans

Payment plan fees typically include five percent of the deferred amount, or a fee consistent with what is charged by an outside vendor, whichever is smaller. Students may be subject to payment plan late fees up to \$20, or up to \$50 for failure to pay tuition and fees prior to the start of the semester.

## Printing

Printing costs are free for CCSNH students up to \$25, at rates of \$.10 per-side B&W for letter and legal, and \$.50 for color, with costs double at each rate for 11 x 17 / tabloid printing. Above \$25, and for non-CCSNH students, print users pay at the rates above.

## Replacement Fees, Fines and Penalties

The following replacement fees, fines and penalties apply to all CCSNH students. These do not include separate fines and penalties for those living on-campus in residence halls at NHTI or Lakes Region Community College.

<b>Diploma Replacement</b>	\$20
<b>Protested Checks</b>	\$35
<b>ID Card replacement</b>	\$25
<b>Library late fees</b>	\$.25 per item, per day; cost of replacement for lost or damaged materials
<b>Fire alarm</b>	\$350 for false alarm; \$100 for tampering or abuse of fire and safety equipment plus costs for any damages
<b>Parking Violations</b>	\$10 first offense; \$20 for second offense, \$50 for third, \$75 for each additional
<b>Public safety</b>	\$20 first offense; \$50 for second offense, \$100 for third and for each additional; \$100 for reckless operation of a vehicle
<b>Smoking</b>	\$25 for first offense; \$50 for second and each additional
<b>Drug / Alcohol</b>	\$50 for first offense; \$100 for second offense; \$200 for each additional
<b>Bicycle lending</b>	For Colleges with program, replacement cost for lost bike, \$10 for lost light or key, \$25 for lost lock or helmet
