Final Date for Receipt of Questions: June 12, 2020
Proposal Due Date: June 26, 2020 (by 2:00 PM EDT)
Announcement of Award: July 10, 2020

BACKGROUND:
From 2001 to April 2020, NHTI – Concord’s Community College (NHTI) operated the Child and Family Development Center (CFDC) within a purpose-built childcare facility located at 21 College Drive on the NHTI campus. In addition to providing childcare services, CFDC supported NHTI’s Early Childhood Education programs through observation opportunities and mentoring students. It was also available as a learning laboratory, which provided opportunities for undergraduate and graduate students to apply theoretical knowledge through practicums and to conduct research related to child development, families and childcare.

In April 2020, the COVID-19 pandemic forced closure of CFDC operations. As a result of the financial impact of the closure and a long-standing operating deficit, NHTI decided that it would no longer operate the childcare facility. After reviewing various models that would enable continued use of the facility for its intended purpose and meet NHTI’s Early Childhood Education programmatic needs for observation and mentoring opportunities as well as a learning laboratory, the college decided to offer the CFDC property for lease to an organization that is well-positioned to provide outstanding childcare and also willing to enter into an academic affiliation agreement for the Early Childhood Education and other programmatic needs of NHTI.

PURPOSE:
The purpose of this lease opportunity is to establish a contract for the lease of real property located on the campus of NHTI at 21 College Drive, Concord, New Hampshire, owned by the Community College System of New Hampshire. The property is purpose-built for operation of a childcare facility and any resultant lease will include a provision limiting the use of the property to the provision of early childhood education and childcare services. NHTI will also expect that the lessee will agree to execute a separate academic affiliation agreement to provide for the Early Childhood Education and other educational programmatic needs of NHTI.

USE OF FACILITY FOR CHILDCARE SERVICES:
Because the location of the facility is within the confines of the NHTI campus, NHTI has an interest in ensuring that the lessee maintain high standards in providing childcare and early childhood education services. Accordingly, in submitting responses Bidders should provide responses to the following:

Q1 What is your experience in administering childcare and early childhood education programs?
Q2 What accreditations or certifications do you currently hold and/or would you be willing to obtain and maintain for the program delivered at 21 College Drive?

Q3 What is your proposed staffing plan? Please provide the job titles, job descriptions and minimum qualifications for each position as well as ongoing professional training and development for staff.

Q4 Describe the philosophy around curriculum offerings for young children, and the health, safety and education standards of your early childhood programs.

Q5 How do you evaluate the effectiveness of your programs?
