System Updates  
While Covid-19 cases have been reported to the colleges, Chancellor Huard noted that there is no evidence of community spread at the campuses.
Chair Hitchcock and Chancellor Huard provided status updates on current executive searches. The first meeting of the chancellor search committee was held in early November, stakeholder listening sessions will be held in late November, and an executive search firm will be selected in early December. The search for CCSNH Chief Operating Officer is underway, and the Great Bay CC presidential search committee has completed all stakeholder listening sessions and has posted the listing.

**FY20 Financial Audit Report**
Mr. Smalley from BerryDunn provided an overview of the annual audit process, including the responsibilities and roles of system management, BerryDunn, and the audit committee within that process.

Ms. Balukas reviewed financial statement highlights, including the statement of net position and the statement of revenues, expenses, and changes in net position. Because of the federal CARES Act funding and state appropriation, CCSNH is in a relatively strong financial position. Berry Dunn expects to deliver an unmodified opinion. There were no internal control findings as a result of the audit, and the federal uniform guidance audit is delayed pending guidance on auditing CARES Act funds. Discussion followed regarding Other Postemployment Benefits (OPEB) liability, new last year, and pension reductions.

Berry Dunn presented a clean FY20 audit report for CCSNH to the Audit Committee, and she commended Ms. Hartshorn and CCSNH for their management.

**VOTE:** The Board, on motion of Ms. Shields and seconded by Ms. Stebbins, voted unanimously to approve the CCSNH FY20 audit report as recommended by the Audit Committee.

**Other Business**
No further business was brought forward. The meeting adjourned at 10:47 am.

Respectfully Submitted,

Meghan Eckner
Executive Assistant to the Chancellor and Board of Trustees
