- Why did you choose NHT? *my sister went here a few years ago and she really liked it.*
- What is a good experience you have had at NHT? On the flip side, has there been a not so good experience that you have had? *I've been apart of the per counseling and I've made so many friends. There hasn't been anything bad that stands out.*
- How has your experience been with faculty using Canvas for your classwork? Do they have similar formats or has each instructor been different? *I like Canvas it works really well however some professors don't make it easy to find things. they put things in folders that aren't labeled right.*
- Each of you have roles that you play in life, and qualities you identify with. Tell me about your role and identity as a student? What impact does it have on your life? What does this role/indent mean to you as you compare it to the other roles or identities that are apart of you? *I want to have people being able to be a student here and be a per counselor has helped me connect with so many people.*
- What would you want to tell your faculty? What do you want them to know about you as a student? What do you wish faculty understood about you? *I want to thank them they do so much for us. for the most part they are very patient.*
- Tell me about a class/course experience that you will look back upon and remember? Was this experience entertaining, inspiring, boring, frustrating? *my class/course experience was great I was able to get everything done it was just fitting in and working around a job*
