**Preferred/chosen Name Change**

You may indicate a preferred/chosen first name that will appear in documents internal to your CCSNH college. The preferred/chosen first name will be used in the places listed below, regardless of whether you have legally changed your name.

A preferred/chosen name is a name a student wishes to be known by in the CCSNH system that is different from a legal name. CCSNH preferred/chosen names applies only to first names, surnames can be changed with a legal name change.

If you have completed a legal name change process you should connect with your campus Registrar’s office.
