

Resume – Alan N Beaulieu

SWIB Board member

Board member for two corporate boards – revenue ranges from \$50-200 million. Also on the audit committee for two of these boards.

President and Principal at ITR Economics (retired)

For over 35 years, I provided actionable guidance to thousands of executives across the globe using my understanding of economic trends combined with business strategy. This allowed me to accurately lead executives through all economic conditions.

Over the years, I have had the opportunity to publish three books, regularly interview on nationally recognized platforms, be named Chief Economist for various trade associations, and counsel executives on various boards in addition to the two I currently serve on.

Lifelong resident of the NH

PhD in communication with an emphasis on leadership
